7. Roger is Diana's _____.
8. Sophie and Simon are Ray's _____.
9. Pam is Ray's _____.
10. Simon is Roger's _____.
11. Sophie is Lisa's _____.
12. Lisa and Roger are Ray's _____.

3.   **Listen to Andrew talking about his relatives. Write the most suitable word for each sentence.**

 Hi everyone, I'm Andrew and I am going to talk about my family. I really love them all, but they are very different from each other. For example, my father always says what he thinks, he's very _____, but he never offends anyone, he's very _____. I also have one brother, Tom, and one sister, Carol. They are twins but very different from each other. Tom doesn't like talking to people, he's _____, but Carol talks all the time, she's very _____. My uncle Stewart is really _____ and doesn't like working at all! On the other hand, my mother is someone I really love and admire. She's _____ and very _____ about life.

4.   **Alice is 13 years old and she´s going to talk about her family. Listen and complete with the correct family member.**

Every summer the members of my family get together at my _____' farm. My family is really big: at the table there are usually 30 or 40 people at the same time! There are some relatives that I really like: for example, my _____ Joe is a writer and travels all around the world. Julie is my _____ and I really like her because she's funny and makes me laugh. Her _____ _____ Philip is the opposite, he never smiles! My _____ is very sweet and she makes the best apple pie! And of course, my _____: she's 4 years older than me and she's my best friend, I love her very much!

5.   **Take a look at this family tree.**
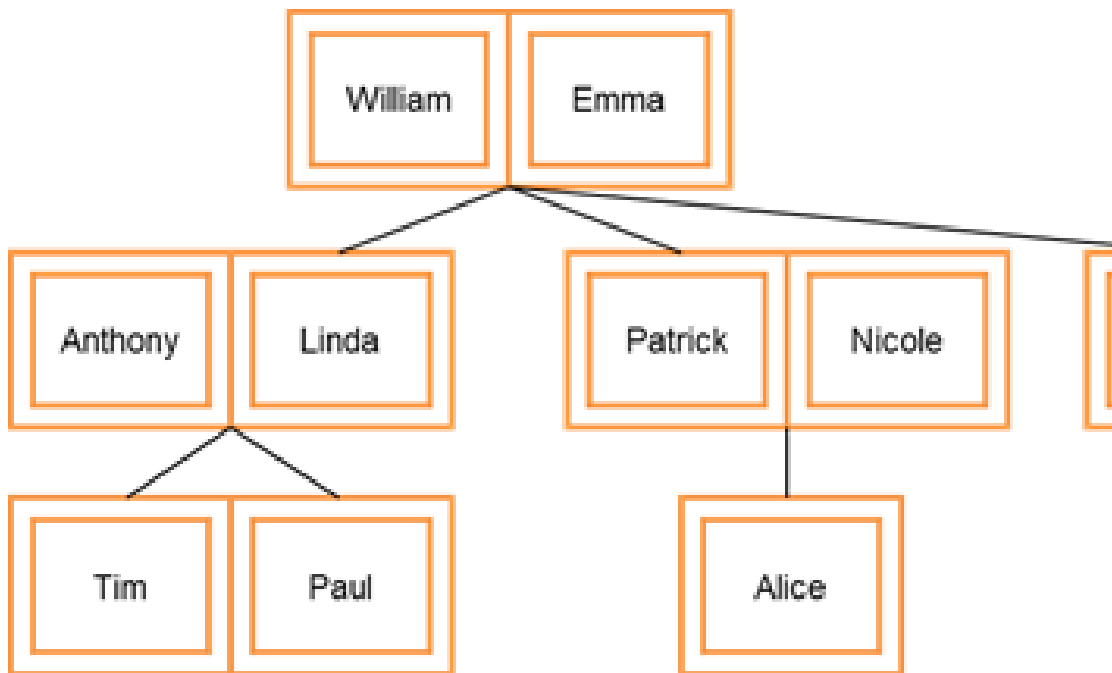

Now choose the correct relationship.

1. William is Linda, Patrick and Tom's (☐ uncle | ☐ father | ☐ grandfather).

2. William and Emma are Tim, Paul and Alice's (☐ grandchildren | ☐ grandparents | ☐ parents).

3. Alice is Tim and Paul's (☐ sister | ☐ cousin | ☐ niece).

4. Linda is Alice's (☐ grandmother | ☐ mother | ☐ aunt).

5. Nicole is Patrick's (☐ sister | ☐ wife | ☐ mother).

6. Tim and Paul are Anthony and Linda's (☐ daughters | ☐ nephews | ☐ sons).
