Ano: _____ Turma: _____ Número: _____ Data: _____/_____/____	
Professor: _____	

1. **Read the text:**

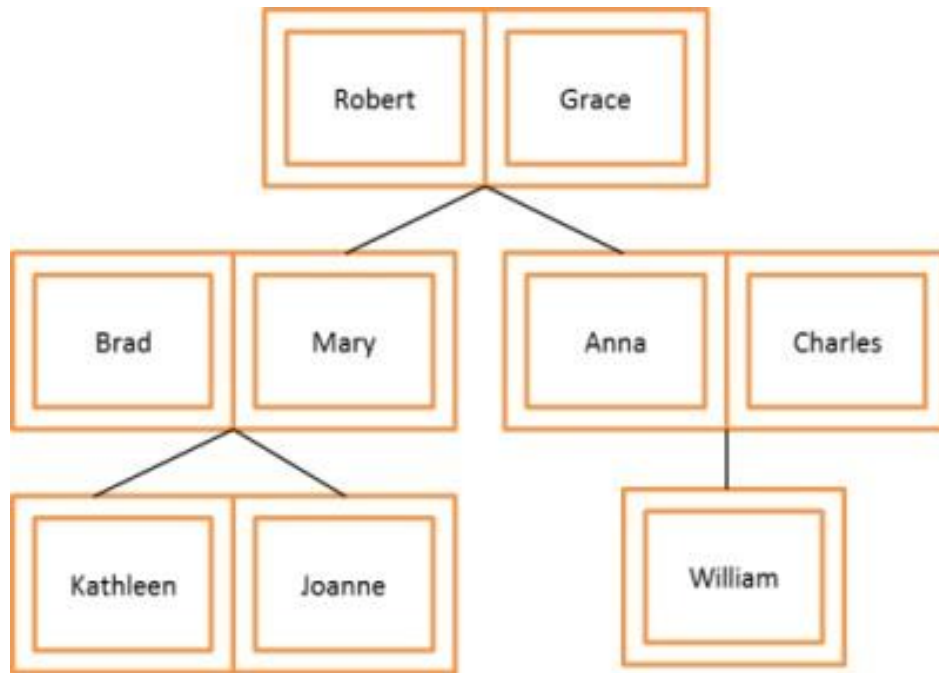

Hi, I'm Jeff and I live with my parents, my sister and my baby brother. My sister's name is Laurie and she is 11 years old. She has got brown hair and blue eyes. She is in year five and I'm in year seven. We have got lots of friends at school. We are not in the same class because I am older: I am 13 years old. We ride our bikes every day after school. My sister's bike is pink and mine is blue. On Saturdays I usually play basketball with my father. We always have a lot of fun.

My grandparents visit us at the weekend. My grandfather is very friendly. His name is Eric. He is seventy years old and he likes walking. My grandmother's name is Rachel and she's sixty-seven. She's very nice.

Complete the sentences:

1. There are _____ people in Jeff's family: his _____, his _____, his baby _____ and Jeff.
2. Laurie is _____ sister.
3. Laurie's hair _____ and her eyes _____.
4. Laurie and Jeff have got _____ at school.
5. _____ bike is pink.
6. Jeff likes playing basketball with his father because they always _____.
